Welcome to Biosphere Boodja 2025 — a bold new celebration of regional creativity, culture, and community. Whether you're a long-time supporter of the arts or exploring sponsorship for the first time, we're so glad you're here.

This festival is about more than just great music, art, and storytelling — it's a collaboration between First Nations leaders, artists, families, and dreamers, coming together on Ballardong Country to reimagine what's possible.

We invite you to be part of something deeply meaningful, playful, and powerful.

About the Festival

When: Sunday 28 – Monday 29 September 2025 (King's Birthday Long Weekend)

Where: Goomalling, WA – Ballardong Noongar Country
